Designed and Made in Italy

## FOR OVER 50 YEARS, OUR GOAL HAS BEEN TO PRESERVE AND IMPROVE YOUR QUALITY OF LIFE.

M-Brace proposes effective and innovative prophylactic as well as rehabilitative solutions enabling you to have an active lifestyle.

Our objective is to persistently develop through our unique technology new solutions based on experience, tradition and patients' fidelity. The success of the M-Brace line lies in the never ending dedication, perseverance, effort, commitment and enthusiasm in pursuit of the ultimate goal: your well-being.

This is what makes our products so exclusive with unmatched performance and comfort.

## ICON GUIDE

100% COTTON ON THE SKIN

A unique M-Brace technology. It is made from a very soft cotton velour providing the skin with an extremely comfortable touch and at the same time, allowing it to breathe freely all day.

100% BREATHABLE AIR

Extremely comfortable and light material allowing the body part to breathe and heal properly.

HYPOALLERGENIC

Natural Fabric created without any harmful chemical substance, practically eliminating irritation and/or allergic reactions.

NEOPRENE FREE

Chemical, synthetic and rubber free, ensuring a natural and sustainable product.

LATEX FREE

Chemical, synthetic and rubber free, ensuring a natural and sustainable product.

WASHABLE

Easily washable.

24 HOUR COMFORT

Super Comfortable on the skin, all day and all night.

RIGHT AND LEFT FIT

Can be worn on either side of the hand or foot.

SNUG FIT INSIDE SHOE

Can be worn comfortably with a shoe all day.

ULTRA LIGHT

Light weight and ergonomically constructed.

ULTRA SLIM

Light weight and ergonomically constructed.

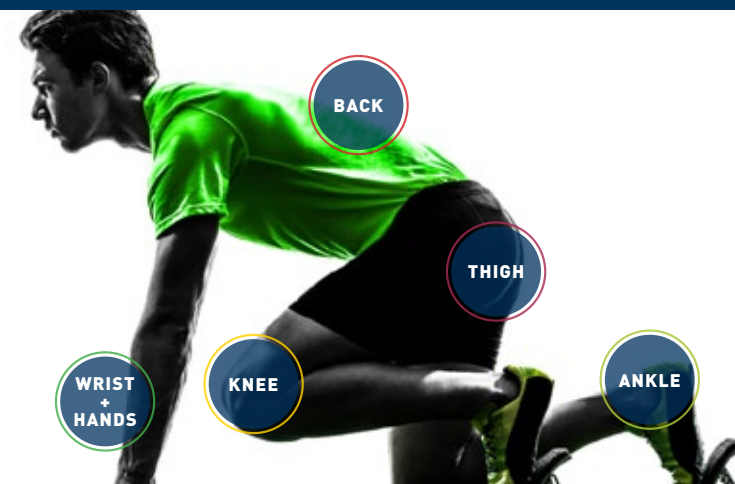

PATENTED TECHNOLOGY

Technologies developed for better overall care.
